Wait List Operation: 1 - Wait List remains open until Dec 2 (on Dec 3 the event is closed to further registrations)

2 - Priority 1 is to replace a U20 with a U20

2A - A lifter will be moved to the U20 division if the lifter was previously added to the start list to replace an open lifter

2B - Replace the U20 lifter with the next U20 lifter on the wait list

2C - If another U20 is not on the list the U20 will be replaced with the first athlete on the list

3 - Priority 2 is to replace a Master with a Master

3A - A lifter will be moved to the Masters division if the lifter was previously added to the start list to replace an open lifter

3B - Replace the Master lifter with the next Master lifter on the wait list

3C - If another Master is not on the list the Master will be replaced with the first athlete on the list

4 - Priority 3 is to replace an Open lifter with the next lifter on the list regardless of division
