

Team Scoring for the Texas State Weightlifting Championships

At the Texas State Weightlifting Championships a club can contend for the best team per gender/division and best overall team per gender. Each team can submit 1 roster per gender and division. The divisions will be Youth (17U), Junior (20U), Open, Master (35+). Per USAW and IWF regulations, each roster may have a max of 10 men and 10 women, with 10 active and 2 alternates per gender. A lifter may be on multiple teams. Meaning a lifter aged 13 can be on a Youth, Junior, and Open roster. A lifter must indicate they are on the team at registration and that must match their USAW registration.

Scoring

The scoring for the divisional teams will be based on the point system adopted by the IWF for total only. The teams will earn points based on the overall placement of each of the members on the roster against their weight class, and age if applicable. For the Youth, Junior and Senior Divisions, all lifters will be ranked against the universal placements of all lifters across all divisions from the event.

Placement	Points	Placement	Points
1	28	14	12
2	25	15	11
3	23	16	10
4	22	17	9
5	21	18	8
6	20	19	7
7	19	20	6
8	18	21	5
9	17	22	4
10	16	23	3
11	15	24	2
12	14	25	1
13	13		

The rankings will be determined by summing up the points earned by each member of the team. The divisional team winners will be announced at the conclusion of the final session of that division.

Special Scoring For Masters

Per [IWF Masters rule 4.2](#), points will be allocated as per below:

- Where there is only one lifter in an age/weight category
 - 1st place = 23 points
- Where there are only 2 lifters in an age/weight category
 - 1st place = 25 points

- 2nd place = 23 points
- Where there are 3 or more lifters in an age/weight category
 - Regular scoring matrix will apply

Tie Breakers

The below will be used to break any ties:

1. Most number of 1st place winners
2. Most number of made lifts
3. Combined NRS (Sinclair Masters Only)

Examples/Scenarios

Assume this is the entire population of athletes that weigh 45kg or less.

Lifter	Division	Class	Team	Total
Lifter A	Youth 13U	30	Team A	100
Lifter B	Youth 14-15	45	Unattached	95
Lifter C	Junior	45	Unattached	101
Lifter D	Open	45	Unattached	101
Lifter E	Open	45	Unattached	105
Lifter F	Open	45	Team B	94

Results

Lifter A would receive the gold in the Youth 13U 30kg class

Lifter B would receive the gold in the Youth 14-15 45kg class

Lifter C would receive the gold in the Junior 45kg class

Lifter D would receive the silver in the Open 45kg class

Lifter E would receive the gold in the Open 45kg class

Lifter F would receive the bronze in the Open 45kg class

The total for lifter A would have placed 4th in the Open category. Team A will receive 22 points.

The total for Lifter F would have placed 6th in the Open category. Team B will receive 20 points.
